RADIO-FREQUENCY RESISTANT TEXTILES

Shield yourself and your loved ones from the increasing electromagnetic smog we are exposed to from with fibers woven with stainless steel, silver and others.

Your body, mind, and spirit will thank you.

MADE BY HAND WITH LOVE

All of our products are all handmade in USA with the greatest love, care and attention to detail.

We use sustainably-produced materials to give you unique quality items.

Radio Frequency Resistance

1328.EARTH

Conscious Protection

#fixthefrequency

Nature has it's own Bio-Rhythm and timing frequency.

Humanity has deviated from this rhythm. When we return to it, regeneration occurs and we vibrate higher

Shielding Materials
